Dear Rowing Friends,

On behalf of the Czech Rowing Association and the Organising Committee I would like to warmly invite you to the Labe aréna Račice for the 2022 World Rowing Championships.

The history of world rowing championships in the Czech Republic, formerly Czechoslovakia, dates back to 1986 when the World Rowing Junior Championships were the first international rowing event to be hosted at Račice. Another milestone was celebrated here in 1993 when we organised the World Rowing Championships. In 2009 we organised the World Rowing Under 23 Championships, in 2010 the World Rowing Junior Championships and then the European Rowing Junior Championships in 2015. In 2017 Račice staged the very successful European Rowing Championships, in 2018 we hosted the best juniors at the World Rowing Junior Championships, and in 2021 World Rowing Under 23 Championships. We are delighted that in September the best athletes of the world are returning to Račice for their world championships.

I hope athletes, coaches and spectators will enjoy this World Rowing Championships, and I am looking forward to seeing them at the Labe Arena Račice.

Yours in Sport,
Dušan Macháček
President of Organising Committee
